Overview of Onboard Case Workflow

1. About Onboard □ Enhanced Due Diligence Workflow

1.1 How to View EDD Form in Separate Workflow?

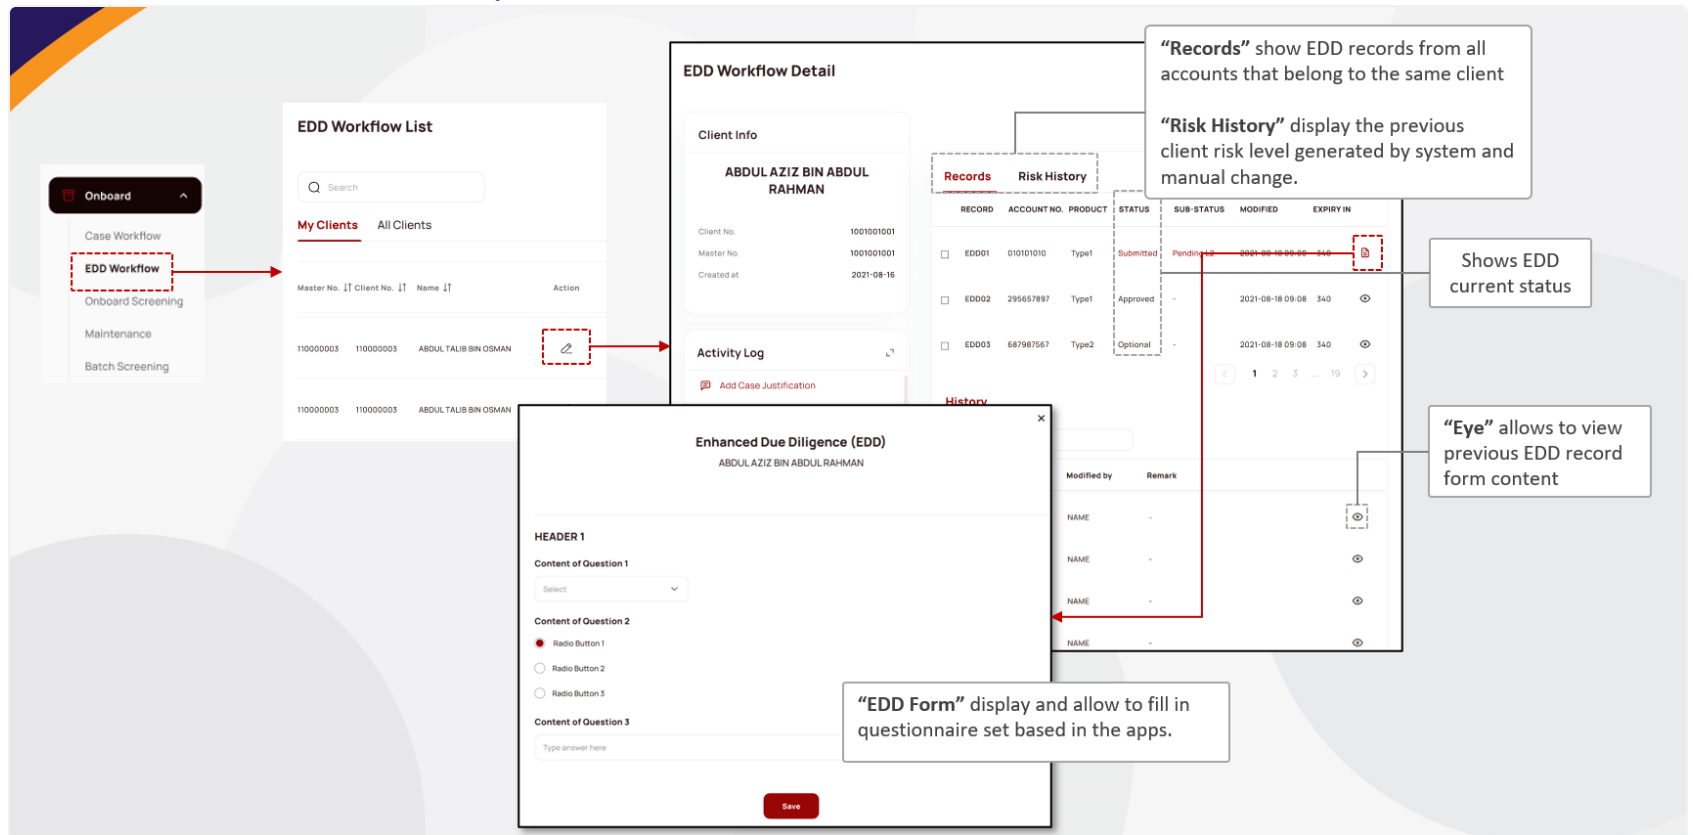

Figure 1.0: How to View EDD Form in Separate Workflow

1. EDD Workflow is a page where EDD cases are collected and organized based by each client, for centralized maintenance of EDD approval.
2. EDD Workflow page is only available if under **Setting: EDD - General - Onboard Monitoring**, approval option is enabled.
3. Each client case is based by their master number and primary number (CIF number or ID number etc.).
4. The EDD Workflow list consists of two filtering tabs:
 - a. **My EDD Cases** - Only displays EDD cases assigned to the logged in user.
 - b. **All EDD Cases** - Displays all EDD cases available in the organization.

Default to **My EDD Cases**.

2. EDD Workflow

The EDD workflow table has a Columns button above the table which allows user to choose which columns to display and which not to.

- The review record button is only accessible by assigned approver. It pops up a panel showing the record content for review.
