2.3.1 How to perform maintenance on Sensitive Word

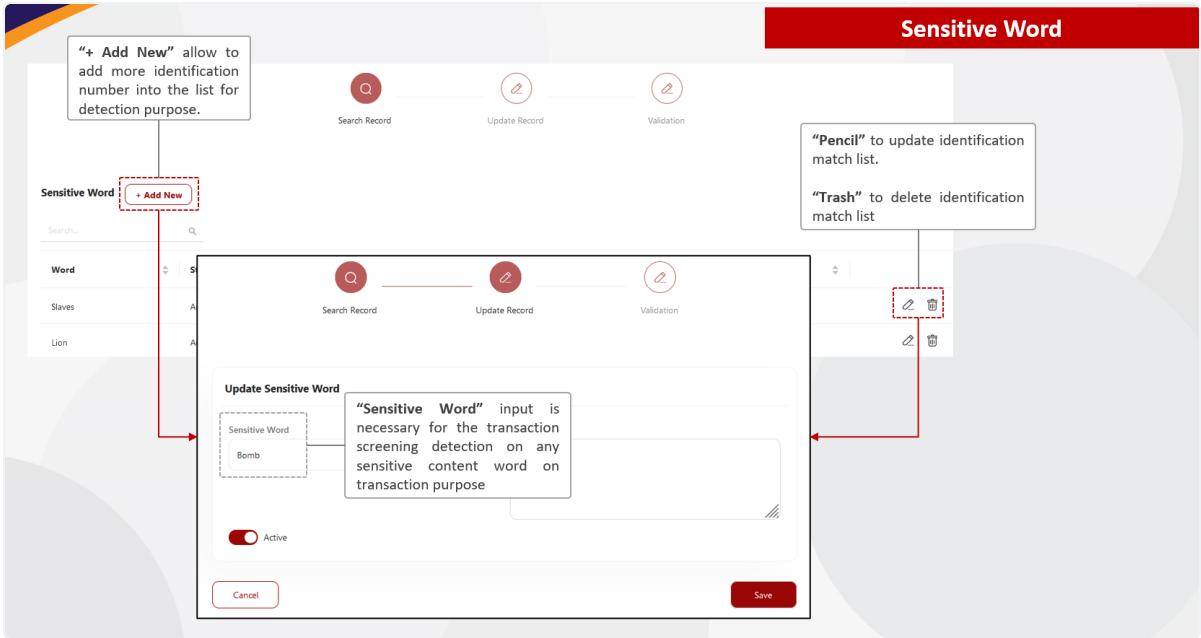

Figure 2.7: Sensitive Word

1. After clicking the "**Sensitive Word**" maintenance type button, users will be able to view a 3-Step Wizard.
2. Step 1 displays the "**Search Record**", where users are able to view the sensitive words added into the system for transaction screening.

The screenshot shows the 'Search Record' step of the 3-Step Wizard. The navigation bar at the top has the 'Search Record' icon selected. The sidebar on the left shows the '+ Add New' button. The main area contains a table of sensitive words. The table has columns for Word, Status, Date Created, and Date Updated. There are three rows of data: 'Gun', 'Machine Gun', and 'Weapon'. Each row has edit and delete icons at the end.

Word	Status	Date Created	Date Updated	
Gun	Active	24 Sep 2023 19:33pm	02 Nov 2023 15:52pm	
Machine Gun	Active	24 Sep 2023 19:33pm	02 Nov 2023 15:58pm	
Weapon	Active	25 Sep 2023 08:45am	02 Nov 2023 10:12am	

Figure 2.8: Sensitive Word - Search Record

3. Users can click on the action buttons; "**Edit**" or "**Delete**" to either update sensitive words or delete the records.
4. Users will also be allowed to "**+ Add New**" records, whereby it will navigate them to Step 2 of the 3-Step Wizard -- "**Update Record**".

The screenshot shows a 3-step wizard interface. The top navigation bar has three steps: 'Search Record' (with a magnifying glass icon), 'Update Record' (with a pencil icon and currently selected), and 'Validation' (with a checkmark icon). Below the navigation bar is a form titled 'Add New Sensitive Word'. The form has two main sections: 'Sensitive Word' and 'Description'. The 'Sensitive Word' section contains a text input field with the placeholder text 'Word' and a toggle switch labeled 'Active' which is currently turned on. The 'Description' section contains a larger text area with the placeholder text 'Description'. At the bottom of the form, there are two buttons: a 'Cancel' button on the left and a 'Save' button on the right.

Figure 2.9: Sensitive Word - Update Record

5. Once users have filled either section, they can save the record into the system by clicking the **"Save"** button. Then it will navigate the user to the Step 3, the last step of the 3-Step Wizard -- **"Validation"**.

The screenshot shows the 'Validation' step of the 3-step wizard. The top navigation bar has three steps: 'Search Record' (with a magnifying glass icon), 'Update Record' (with a pencil icon), and 'Validation' (with a checkmark icon and currently selected). The main content area features a large green circle with a white checkmark inside. Below the circle, the text reads 'Action Setup Successful' and 'Congratulations, your action has been successfully set up'. At the bottom of the form, there is a 'Back' button.

Figure 2.10: Sensitive Word - Validation

6. Once users have filled either section, they can save the record into the system by clicking the **"Save"** button. Then it will navigate the user to the Step 3, the last step of the 3-Step Wizard -- **"Validation"**.

2.4. Maintenance Details □ Threshold Amount

The threshold amount features are applicable only each transaction file and on daily basis only. There is no aggregation amount at this stage.

Threshold Amount

Figure 2.11: Threshold Amount Maintenance

The display information in the table:

#	Name	Description
1	Search	Allow user to search attribute for identification text or any date relevant.
2	Currency	Display the currency of the transaction set.
3	Threshold amount	Display the existing threshold amount.
4	Date created	Display the date that this record is created by the user.
5	Date Updated	Display the date that this record updated by the user.
6	Action	Update: Allow user to update the threshold amount. Delete: Allow user to delete the threshold amount.

2.4.1 How to perform maintenance on Threshold Amount

The screenshot shows a web interface for maintaining a 'Threshold Amount'. At the top, a red header bar contains the text 'Threshold Amount'. Below this, a white modal window is displayed. The modal has two tabs at the top: 'Update Record' (active) and 'Validation'. The 'Update Record' tab contains a section titled 'Update Threshold Amount'. Inside this section, there is a note: 'Note: Only applicable on each transaction amount'. Below the note is a text input field labeled 'Threshold Amount' with the value '10007'. To the right of the input field, a callout box explains: '"Threshold Amount" input the amount threshold for the transaction detection.' Below the input field, it says 'Last Updated 04 Oct 2023'. At the bottom of the modal, there are two buttons: 'Cancel' and 'Save'.

Figure 2.12: Threshold Amount

1. After clicking the **"Threshold Amount"** maintenance type button, users will be able to view a 2-Step Wizard.
2. Step 1 displays the **"Update Record"**, where users are able to input the amount threshold for transaction detection of clients. Users will also be able to view the date the amount threshold was updated.

The screenshot shows the 'Validation' step of the 'Threshold Amount' maintenance wizard. The modal window has two tabs at the top: 'Update Record' and 'Validation' (active). The 'Validation' tab displays a large green circular icon with a white checkmark. Below the icon, the text reads: 'Action Setup Successful' and 'Congratulations, your action has been successfully set up'. At the bottom of the modal, there is a 'Back' button.

Figure 2.13: Threshold Amount - Validation

3. After users click the **"Save"** button, it will navigate users to Step 2 -- **"Validation"**. It is to verify whether the validation process was successful or unsuccessful.
